

**Annual Dinner at the New Hampshire Air National Guard Hangar 254
August 11, 2011 from 5:30 – 9:00 PM**

This is the first of many communications about entering the NHANG property.

This is the locator map you will follow. There will be signs to help you and you will receive other notifications about them. You will be driving to the North Ramp via and access road. When you reach the North Ramp you will be directed to the parking area. It is easy. A reminder: if you have a ticket and a valid picture ID (to be valid it must not have expired) you will be identified and move through quickly and begin celebrating.

See you there!
