The Ogunquit Playhouse Hospitality Program

Now Offering Half Price Tickets for the Ogunquit Playhouse
to the Valued Staff Members of the Hospitality Industry!

The first thing your guests ask when they arrive is "what is there to do?" We know that it will be easier for you to tell them about the spectacular productions on the Playhouse stage if you've seen and enjoyed them yourself. We invite you to enjoy half price tickets during the first two weeks of each show. Come and enjoy "Broadway a the Beach" as we celebrate our 78th Anniversary Season.

Our Hospitality Program offers half price tickets — for front line staff members — for each main stage show — on a space available basis. To reserve your seat, simply call the Playhouse Box Office and ask to book a hospitality seat. To pick up discounted tickets, hospitality staff must present a photo ID and current pay check stub at the box office window.

Hospitality seats are available in the first two weeks of each show, Tuesday through Thursday evening and include matinees on Wednesday and Thursday afternoons. Due to the nature of the program, hospitality seats are offered on a space available basis and therefore can only be booked within 24-hours of the desired performance.

Hospitality Program Schedule
