TECHWORLD 2010

presented by

e - c o a s t

eCoast and the NH High Technology Council present TechWorld 2010, October 14 and 15 at the Pease International Tradeport in Portsmouth. From startup enterprises to established corporations, all will gather to share expertise, ideas, and triumphs.

Conference Highlights

- Two day conference targeted to companies that design, develop, and deliver technology
- Three separate tracks designed to attract technical, business, and education/employment
- Leading tech companies will share their success stories
- Exclusive exhibit space
- Held at the Celestica building at Pease Tradeport in Portsmouth, NH
- Presentation of annual InfoXchange awards in three categories by NH Governor John Lynch
- Networking reception for attendees, meet the technology innovators of the Seacoast
